## ***Tristan ROUSSELLE***

---

- **Tristan ROUSSELLE Ph.D. – Chief Executive Officer & Co-founder**

Tristan Rousselle holds a Ph.D in Cellular Biology from IBS (Institute of Structural Biology, Grenoble, France). In 1999 he joined Genome Express, a Grenoble-based biotechnology company in order to set up its cell biology activities. He subsequently co-founded Protein'eXpert in late 2000 and has been its CEO since inception. He is also president of the subsidiaries PX'Pharma and PX'Monoclonals, and administrator of Lyon Bio Pole.
