

SPEAKERS 2006/2007

Brian Ager

Director General, EFPIA

Leslie Alexandre

President & CEO, North Carolina Biotechnology Center

Philippe Archinard

CEO Transgene - Vice Chairman EuropaBio - President France Biotech

Azwan Ariffin

Vice President Transactions-Industry Development Malaysian Biotech Corp

Marco Baccanti

CEO, Biomedical Science Park, San Raffaele

Rudi Balling

Scientific Director, Helmholtz Centre for Infection Research (HZI), Braunschweig

Enrico Bastianelli

CEO, Bone Therapeutics, Belgium

Binah R. Baum

Director of Business Development, Rad Biomed Incubator, Tel Aviv

Christian Béchon

CEO, LFB

Jean-Luc Bélingard

Chairman, Ipsen

Mats Berggren

Project leader, SwedenBIO

Xavier Beulin

President, Federation of Oilseed and Protein Producers

Conny Bogentoft

Managing Director, Karolinska Innovations - Sweden

Karima Boubekour

Head of External R&D policy, Roche, Switzerland, EU Innovative Medicines Initiative

Vincent Brichard

Vice President, Head of Cancer Immunotherapeutics Program, GlaxoSmithKline Biologicals, Rixensart, Belgium

Steven Burrill

CEO, Burrill & Company - USA

Nettie Buitelaar

Manager, Leiden Bio Science Park

Gérard Christmann

President, Director Production Site Lilly, Fegersheim, Alsace Biovalley

Volkert Claasen

Vice President White Biotech Unit, DSM - The Netherlands

Fabrizio Conicella

General manager, Bioindustry Park del Canavese SpA

Vice President, KITE Association

Philip N. Cooke

Director, Centre for Advanced Studies, Cardiff University

Glenn Crocker

CEO, BioCity Nottingham

Brett J. Davis

IBM Healthcare & Life Science Arlington - USA

John Davis

Head of the Life Sciences Projects Division, European Investment Bank

Jean-François Dehecq

Chairman, Sanofi-Aventis

Rudy Dekeyser

Vice General Director

Jean Pierre Denis

General Director OSEO

David Dennis

President & CEO, Performance Plants, Inc., Canada

Jean Derégnaucourt

Presidential Advisor, Pierre Fabre Laboratoires, Paris

SPEAKERS 2006/2007

Jean François Dhainault

President, Paris V University

Peter Dirks

Senior Scientist, Hospital for Sick Children, Toronto

Pierre Ducret

Executive Committee Member, Caisse des Dépôts et Consignations

Aled Edwards

Professor and Banbury Chair, University of Toronto
Chief Executive, Structural Genomics Consortium

Elizabeth A. Edwards

Professor Department of Chemical Engineering and Applied Chemistry, University of Toronto

Claude Evin

Former French Minister of Health

Philippe Favre

French Ambassador, Special French Representative of France for International Investment, Chairman of Invest in France

Dennis M. Flynn

President Pensylvaniabio

Peter Frank

General Secretary, ScanBalt BioNetwork

Marc de Garidel

Director General, Amgen Europe South-West

Mike Gasson

Head of Food Safety Science
Institute of Food Research, U.K.

Michel Guilbaud

Deputy General Director OSEO Anvar -
General Secretary Eurêka, Eurêka tool

Marion Guillou

Director General INRA

Yvonne Gunsch-Wegmann

Vice President, SWX Swiss Exchange

B M Hannigan

Pro-Vice Chancellor, Research and Innovation,
University of Ulster

David Hardman

CEO, Babraham Bioscience Technology Ltd

Thomas Heinemeier

Policy Analyst, Enterprise and Industry DG,
European Commission

Hervé Henaff

Public Affairs Director, Roche

Stephen Herr

Managing Director, EMBL Ventures GmbH

David Heymann

Acting Assistant Director General for
Communicable Diseases, World Health
Organization
