General conditions: – The designated Organiser is "SA Package Organisation" who has been commissioned by the "Agence Régionale de Développement d'Ile-de-France".

- The Organiser intends to retain complete control over the organisation of the trade fair, exhibition or other commercial events which it is organising and does not justify its decisions to grant or refuse admission to any candidates.
- Reservations only become effective upon signature of a reservation agreement and settlement of a down payment. Accordingly, the Hirer hereby undertakes to pay the full price.
- Any service which is not provided for by the agreement must be subject to a further order.
- Any complementary services (namely food and beverages) must have the approval of the Organiser and must be provided by the Organiser's services.
- The undertakings of the Organiser with regard to prices are stated exclusive of VAT. The taxes and rates in force upon the date of payment shall be added to all prices. The payment terms for EuroBio (event taking place over three days) are as follows: Settlement of 50% of the total amount inclusive of VAT upon order (no reservation will be taken into account without the settlement of this down payment).
- The Hirer undertakes to subscribe to all the insurance policies necessary (more particularly a civil liability policy for Exhibitors, a policy to cover the theft of the products exhibited)
- The Exhibitors are required to be familiar and comply with the security measures imposed by the Public Authorities, or, where the case may be, taken by the Organiser.
